

SUNBEAM CAR OWNERS CLUB OF SOUTH AUSTRALIA INC.

WORKSHOP DAY

A day for all Members to have final work done on their car before attending the National Rally.

A workshop and qualified person needs to be available for such jobs as tuning, wheel alignment and other small jobs which may affect the car's performance to or at the rally.

It is not intended for major work, but members should be urged to attend to learn more about their cars and to assist those who need work done.
