

SUNBEAM CAR OWNERS CLUB OF SOUTH AUSTRALIA INC.

SHED DAY

Various interesting workshops are visited by members. These "sheds" may belong to club members, in which case two or three are visited on the same day, or it can be a commercial workshop that we are invited to inspect. A casual day that needs little organisation.

Members in the middle of a restoration can get invaluable advice by offering their sheds for inspection.

There is usually an alternative event that can be attended by those not wishing to visit sheds. This can take the form of a luncheon or similar and is optional.

CLUBS:

Sunbeam only, or Hillman, Humber and Singer Clubs by invitation.

TROPHY:

There are no trophies for this event.

TIME OF YEAR: Can be held anytime of year

VENUE:

Where possible, if more than one site is visited, they should be in the same general direction. It is sometimes possible to end up at a members home for a meal (barbecue etc) or morning or afternoon tea.

COST:

This event is non profit, and costs **MAY** be recovered with a small charge for each entrant. Meals are usually at participant's expense, and can be at restaurant, a picnic lunch or at a member's home.
